

MIN EHE ART

2018 COLLECTION UPDATE AND NEW FINISHES

“... the objects we surround ourselves with everyday should be more than just functional, they should be made of stories, love, art and poetry in order to meaningfully exist...”

Mineheart was founded in 2010 by designers Brendan Young and Vanessa Battaglia.

The company name Mineheart was inspired by the Shakespearian quote: “Mine eye and heart...” to symbolise their dual passions; a love for tradition, and eye for contemporary design, which is present throughout the Mineheart collection.

Based just outside Cambridge in the idyllic English countryside, Mineheart works with established and emerging artists and designers to infuse everyday objects with artistry and expression.

Combining traditional craftsmanship and classical details with contemporary ideas and modern technology, Mineheart brings the latest innovative new ideas to life in the forms of lighting, furniture, wallpaper, rugs and interior accessories design.

The unique collection of interior homewares so far includes collaborations with artists including Angela Rossi, Chad Wys, Courtney Brims, Helen Hooper, Himitsuhana, Jacky Tsai, Joao Figueiredo, Simon Schubert and Young&Battaglia.
