

## Almost White Delft Baroque Textured 2.5m Roll

Experimenting with texture and form, these Porcelain wallpapers use a classic Mintonesque Willow pattern repeated and mirrored to create a more complex structure. Perfect for feature walls or a whole room. Suitable for both domestic and commercial use.

Designer Young & Battaglia

Spongeable

### Please Note

Due to the printing process, colours may vary slightly between batches. Customers should try to order enough rolls initially, or if re-ordering must provide the batch number. For help calculating how many rolls are needed, please contact us with room dimensions and we can work it out for you! Please note that images on screen are not a truly accurate representation of print colour.
