

## Panelling Wallpaper Textured 2.5m Roll

The Panelling effect wallpaper is inspired by georgian architectural details and features white decorative panels for a classy and classic look. The faux panelling wallpaper can be used to create a bright elegant feel, reminiscent of stately homes, georgian conservatories and posh hotels! Perfect for feature walls or a whole room.

### Please Note

Due to the printing process, colours may vary slightly between batches. Customers should try to order enough rolls initially, or if re-ordering must provide the batch number. For help calculating how many rolls are needed, please contact us with room dimensions and we can work it out for you! Please note that images on screen are not a truly accurate representation of print colour.
