

Picture Frame Wallpaper Textured 2.5m Roll

Designed Young & Battaglia. The Picture Frame wallpaper is inspired by old black and white photos. The wallpaper features selection of old photos in white frames, hanging on a concrete wall. The warm brown tones of the old photos contrast with the contemporary white picture frames and the industrial concrete wall making it suitable for both modern and traditional interiors.

Designer Young & Battaglia

Please Note

Due to the printing process, colours may vary slightly between batches. Customers should try to order enough rolls initially, or if re-ordering must provide the batch number. For help calculating how many rolls are needed, please contact us with room dimensions and we can work it out for you! Please note that images on screen are not a truly accurate representation of print colour.
